

**CONTINUOUSLY OPEN CALL FOR APPLICATIONS FOR THE SELECTION OF
MEMBERS OF
THE SUB-GROUP ON 'SUSTAINABLE PORTS' OPERATING UNDER THE
EUROPEAN PORTS FORUM**

1. Background

The Commission's Directorate-General for Mobility and Transport ('DG MOVE') set up a group of experts called the 'European Ports Forum' (EPF) in May 2017 with the aim of exchanging information and providing advice on port related matters. It also provides advice to the Commission on initiatives to promote and support a uniform implementation of Regulation (EU) 2017/352 establishing a framework for the provision of port services and common rules on the financial transparency of ports.

DG MOVE has then established the sub-group on sustainable ports ('the sub-group') for the purpose of examining specific questions on the basis of terms of reference that were defined by DG MOVE after consultation of the members of the EPF.

The mandate of the sub-group is to support the EPF in sharing and promoting initiatives that can enhance the sustainable development of the ports, of port managing and operating bodies and of the different actors active in the port area. It provides advice and expertise in raising the environmental profile of the European port sector.

The main tasks of the sub-group are:

- to exchange information on policies and initiatives taken at EU level, Member States level or by port industry stakeholders on port environmental issues;
- to work on and prepare for the elaboration of common classification criteria for vessels in order to encourage the greening of maritime (shipping) operations, in close cooperation with the European Sustainable Shipping Forum
- to analyse the remaining port related barriers to the use of alternative fuels for shipping (infrastructural barriers, connectivity to the grid, price and taxation, etc.), reflect on possible ways to address these barriers and propose measures to the Commission in promoting the uptake and use of alternative fuel supply infrastructure for sea-going vessels;
- to provide advice, analysis of information and available data to the Commission on any other matters related to the various environmental policies (waste, water and noise legislation) with an impact on maritime ports;
- to promote the transition towards the circular economy in the port context by improving waste management¹

¹ Circular Economy package adopted on 16 January, including the EU Strategy for Plastics COM/2018/028 final and the proposal for a new PRF Directive: COM(2018)33

The sub-group's activities will include, among others, issuing recommendations on how to address environmental challenges related to the greening of ports and the waste and water management in the port area, as well as on how to reduce noise pollution and shipping emissions. It also looks into improving logistical efficiency, the use of alternative fuels and promotion of emission-neutral ports infrastructure in ports.

The Commission is calling for applications with a view to selecting members of the sub-group other than organisations, Member States' authorities and other public entities currently members of the EPF.

2. Features of the sub-group

2.1. COMPOSITION

The sub-group shall consist of up to 35 members in total. This number includes Member States' authorities, organisations and other public entities already members of the EPF which will notify their intention to participate in the work of the sub-group and nominate a representative with the appropriate expertise.

Additional members to be appointed as a result of the present call shall be organisations such as associations, Non-Governmental Organisations active in protecting the environment, universities and research institutes, addressing in their daily activities environmental questions in the waterborne transport domain.

Member States' authorities, organisations and other public entities shall nominate their representatives and shall be responsible for ensuring that their representatives provide a high level of expertise. DG MOVE may refuse the nomination of a representative by an organisation if it considers this nomination inappropriate in light of the requirements specified in chapter 4 of this call. In such case, the organisation concerned shall be asked to appoint another representative.

2.2. APPOINTMENT

Members shall be appointed by the Director General of DG MOVE from applicants complying with the requirements referred to in chapter 4 of this call.

Members shall be appointed for 3 years. They shall remain in office until the end of their term of office or until replaced. Their term of office may be renewed.

Registration in the Transparency Register is required in order for organisations to be appointed.

Members who are no longer capable of contributing effectively to the sub-group's deliberations, who in the opinion of DG MOVE do not comply with the conditions set out in Article 339 of the Treaty on the functioning of the European Union or who resign, shall no longer be invited to participate in any meetings of the sub-group and may be replaced for the remainder of their term of office.

2.3 RULES OF ENGAGEMENT AND OPERATION OF THE GROUP

This sub-group shall operate in compliance with the Commission's horizontal rules on expert groups² ('the horizontal rules') and shall report to the EPF. It shall be dissolved as soon as its mandate is fulfilled.

The sub-group shall be chaired by a representative of DG MOVE.

The sub-group shall act at the request of its Chair with the agreement of DG MOVE, in compliance with the horizontal rules.

In principle, the sub-group shall meet at least twice a year on Commission premises in Brussels in order to discuss any relevant issue related to the above-mentioned overall mission and tasks. DG MOVE shall provide secretarial services.

Members' representatives should be prepared to attend meetings systematically, to contribute actively to discussions in the group, to be involved in preparatory work ahead of meetings, to examine and provide comments on documents under discussion and to act, as appropriate, as 'rapporteurs' on *ad hoc* basis.

As a general rule, working documents will be drafted in English and meetings will be also conducted in English.

The sub-group shall adopt its opinions, recommendations or reports by consensus. In the event of a vote the outcome of the vote shall be decided by simple majority of the members. The members that voted against or abstained shall have the right to have a document summarising the reasons for their position annexed to the opinions, recommendations or reports.

In agreement with DG MOVE, the sub-group may, by simple majority of its members, decide that deliberations shall be public.

Participants in the activities of the sub-group shall not be remunerated for the services they offer. Travel and subsistence expenses incurred by participants in the activities of the sub-group shall not be reimbursed by the Commission.

The members of the sub-group and their representatives, as well as invited experts and observers are subject to the obligation of professional secrecy, which by virtue of the Treaties and the rules implementing them applies to all members of the institutions and their staff, as well as to the Commission's rules on security regarding the protection of Union classified information, laid down in Commission Decisions (EU, Euratom) 2015/443³ and 2015/444⁴. Should they fail to respect these obligations, the Commission may take all appropriate measures.

The sub-group will operate according the rules of procedure of the EPF.

² C(2016) 3301.

³ Commission Decision (EU, Euratom) 2015/443 of 13 March 2015 on Security in the Commission (OJ L 72, 17.3.2015, p. 41).

⁴ Commission Decision (EU, Euratom) 2015/444 of 13 March 2015 on the security rules for protecting EU classified information (OJ L 72, 17.3.2015, p. 53).

DG MOVE may invite experts with specific expertise with respect to a subject matter on the agenda to take part in the work of the sub-group on an *ad hoc* basis.

Individuals, organisations and public entities may be granted an observer status, in compliance with the horizontal rules, by direct invitation. Organisations and public entities appointed as observers shall nominate their representatives. Observers and their representatives may be permitted by the Chair to take part in the discussions of the group and provide expertise. However, they shall not have voting rights and shall not participate in the formulation of recommendations or advice of the group.

2.4. TRANSPARENCY

The sub-group shall be registered in the Register of Commission expert groups and other similar entities ('the Register of expert groups').

Access to dedicated websites shall not be submitted to user registration or any other restriction. In particular, DG MOVE shall ensure publication of the agenda and other relevant background documents in due time ahead of the meeting, followed by timely publication of minutes. Exceptions to publication shall only be foreseen where it is deemed that disclosure of a document would undermine the protection of a public or private interest as defined in Article 4 of Regulation (EC) N° 1049/2001⁵.

Personal data shall be collected, processed and published in accordance with Regulation (EC) No 45/2001.

3. Application procedure

1. **Introduction**

This privacy statement explains the reason for the processing, the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you may exercise in relation to your data (the right to access, rectify, block etc.).

The European institutions are committed to protecting and respecting your privacy. As this service/application collects and further processes personal data, Regulation (EC) N°45/2001¹⁰ of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data, is applicable.

This statement concerns the Register of Commission Expert Groups and Other Similar Entities ('Register of expert groups') undertaken by the European Commission, Secretariat-General, Head of Unit G.4 (Institutional Affairs). The Register is a database containing a list of Commission expert groups and other similar entities and their sub-groups. For each expert group, the Register provides valuable information including on the Commission department which is running the group, as well as on the group members, mission and tasks. The Register also includes relevant documents which are produced and discussed by expert groups.

Personal data submitted to Commission departments as part of rejected applications are not published on the Register of expert groups. The competent Commission departments keep these data for six months and do not process them for other purposes.

2. **Why do we process your data?**

Purpose of the processing operation: The European Commission, Secretariat-General, Head of Unit G.4 (Institutional Affairs) ('the Data Controller') collects and uses your personal information to ensure transparency on expert groups' membership and activities.

¹⁰ [Regulation \(EC\) N° 45/2001](#) (OJ L8 of 12/01/2001).

The processing and publication on the Register of expert's personal data is necessary for the performance of a task carried out in the public interest, since it increases the transparency on Commission expert groups (article 5 (a) of Regulation (EC) N° 45/2001).

As regards, in particular, the declarations of interests filled in by experts appointed in a personal capacity, the processing of personal data of these experts serves the public interest of enabling the Commission to verify the experts' independence in providing advice to the Commission. Furthermore, the public disclosure of declarations of interests allows for public scrutiny of the interests declared by experts appointed in a personal capacity, which is necessary in order to ensure public confidence in the independence of these experts. The public disclosure of declarations of interests also ensures a high degree of transparency with respect to the membership of expert groups and aims at contributing to fostering the integrity of the experts in question.

Art 27 of Regulation (EC) N° 45/2001 is not applicable.

3. Which data do we collect and process?

The personal data collected and further processed may be:

- Name;
- Professional title;
- Professional profile;
- Nationality;
- Gender;
- Interest represented (only for individuals applying to be appointed as members of expert groups or sub-groups representing a common interest and for the designated representatives of organisations applying to be appointed members of expert groups or sub-groups);
- Information included in the declarations of interest (only for individuals applying to be appointed as members of expert groups or sub-groups in a personal capacity).

4. How long do we keep your data?

The Data Controller only keeps the data for the time necessary to fulfil the purpose of collection or further processing.

When an individual is no longer participating in a group listed in the Register of expert groups, all personal information related to this individual is removed from the Register. The competent Commission departments keep personal information for 5 years after the date where relevant individuals cease to participate in the work of the group.

Declarations of interests of individuals appointed as members or alternate members in a personal capacity of expert groups or sub-groups are published on the Register as long as they are members.

When a group is closed down, it remains published in the Register of expert groups for five years, with the indication 'Closed'. During such time, personal information other than the above-mentioned declarations of interests is visible on the Register.

An XML file is created daily with all the information regarding active groups. All versions of this file, showing the situation of the Register as of the day it was created, are stored in a file server for 5 years.

5. How do we protect your data?

All data in electronic format (e-mails, documents, uploaded batches of data etc.) are stored either on the servers of the European Commission or of its contractors, the operations of which abide by the European Commission's security decision of 16 August 2006 [C(2006) 3602] concerning the security of information systems used by the European Commission.

The Commission's contractors are bound by a specific contractual clause for any processing operations of your data on behalf of the Commission, and by the confidentiality obligations deriving from the transposition of Directive 95/46/CE.

6. Who has access to your data and to whom is it disclosed?

Information collected is publicly available on the Register of expert groups.

The XML files referred to in point 4 are not available neither via the internal application of the Register or the public version of the Register, and are only accessible to a reduced number of users in the System Owner and System Supplier's teams.

7. What are your rights and how can you exercise them?

According to Regulation (EC) n°45/2001, you are entitled to access your personal data and rectify and/or block it in case the data is inaccurate or incomplete.

If you do not wish to have your name published on the Register of expert groups, you may submit a request to the relevant Commission department for a derogation from publication. A derogation shall be granted where justified on compelling legitimate grounds in relation to your specific situation, in particular where disclosure of the experts' name could endanger your security or integrity.

You can exercise your rights by contacting the secretariat of the competent Commission department or in case of conflict the Data Protection Officer and if necessary the European Data Protection Supervisor using the contact information given at point 8 below.
