III. INFORMATION ON THE ACTION FOR WHICH THE GRANT IS REQUESTED

1 DESCRIPTION OF THE ACTION
Title:
Reference:
a) Describe the general and specific objectives that the action aims to achieve: Applicants should explain how the general and specific objectives of the action will contribute to the objectives of the Union grant programme concerned. Where possible, specify related indicators to assess the project's achievements and expected impacts.
b) Describe the action on the basis of the main activities planned and where it will be implemented
c) Methodology to be followed/project implementation Applicants should explain the methodology, both theoretical and practical, that will be followed in order to meet the general and specific objectives of the action described above. Applicants should also explain how they intend to distribute the tasks among themselves. This might include support to third parties. In case of financial support foreseen to third parties the applicant should specify the different types of activity, the definition of the persons or categories of persons which may receive such financial support and the criteria to give it and the maximum amount. If the financial support takes the form of a prize the applicant should specify the conditions for participation in the contest, the award criteria, the amount of the prize and the payment arrangements. The applicant should explain which part of the action will be subcontracted (list of main activities to be carried out) as well as which activities will be undertaken by affiliated entities (if applicable).
d) Expected results and their use: Applicants should specify the benchmarks or deliverables which they intend to employ to achieve the expected results and targets and how they will be used and disseminated.
e) Arrangements for monitoring/supervision of the operation and any risks involved in its implementation: Applicants should explain how the action will be supervised. They should refer to risks involved in its implementation, how they might affect the objectives and outcomes of the action and how they could be mitigated.
f) Sustainability of the project's achievements:

Applicants should explain how sustainability will be secured once the action has been completed. This can include considerations about different dimensions of sustainability: financial, economic, institutional (structures which would allow the results of the action to continue), environmental, policy, etc. (where applicable, depending on the provisions of the basic act).

IV – REMEDIAL MEASURES

If for any entity subject to this declaration it has been declared that it is in one of the situations of exclusion listed above, an annex to this declaration must indicate the measures the entity has taken to remedy the exclusion situation, thus demonstrating its reliability. This may include e.g. technical, organisational and personnel measures to prevent further occurrence, compensation of damage or payment of fines. The annex must include relevant documentary evidence which illustrates the remedial measures taken. Remedial measures cannot be proposed for situations referred in point (d).

V – EVIDENCE UPON REQUEST

The Commission/Agency may request any entity subject to this declaration to provide information and the applicable evidence on any person that is member of an administrative, management or supervisory body (persons with powers of representation, decision or control with regard to that entity).

The Commission/Agency may request any entity subject to this declaration to provide the applicable evidence concerning the entity itself and / or concerning the natural or legal persons which assume unlimited liability for the debts of the entity.

Evidence may be requested as follows:

For situations described in (a), (c), (d) or (f), production of a recent extract from the judicial record is required or, failing that, an equivalent document recently issued by a judicial or administrative authority in the country of establishment of the entity showing that those requirements are satisfied.

For the situation described in point (a) or (b), production of recent certificates issued by the competent authorities of the State concerned are required. These documents must provide evidence covering all taxes and social security contributions for which the entity is liable, including for example, VAT, income tax (natural persons only), company tax (legal persons only) and social security contributions. Where any document described above is not issued in the country concerned, it may be replaced by a sworn statement made before a judicial authority or notary or, failing that, a solemn statement made before an administrative authority or a qualified professional body in its country of establishment.

If an entity has already submitted such evidence for the purpose of another procedure and provided that the submitted documents are still valid and that the time that has elapsed since the issuing date of the documents does not exceed one year, the entity shall declare on its honour that the documentary evidence has already been provided and confirm that no changes have occurred in its situation.

If selected to be awarded a grant, the entity(ies) subject to this declaration accept(s) the terms and conditions laid down in the grant agreement/grant decision.

The entity(ies) subject to this declaration may be subject to rejection from this procedure and to administrative sanctions (exclusion or financial penalty) if any of the declarations or information provided as a condition for participating in this procedure prove to be false.
