

High-Level Understanding between
The European Union
And
Ukraine
on indicative maps of the Trans-European transport network in Ukraine

The European Union and Ukraine,

Reaffirming the high importance they attach to the extension of the trans-European transport network to Ukraine as part of the European Neighbourhood Policy (ENP),

Mindful of the future challenges to restore transport infrastructure in Ukraine following Russia's war of aggression against Ukraine:

- aim to ensure the coherence between the EU's trans-European transport network and the transport network of Ukraine;
- aim to promote adequate planning and development of sustainable and resource-efficient transport connectivity between the EU and Ukraine;
- facilitate the identification of common infrastructure priorities between the EU and Ukraine;
- aim to facilitate the development of the existing transport network,

came to the understanding that the adapted indicative maps of the transport infrastructure network in Ukraine, annexed to the present high-level understanding, is acceptable to both sides.

This high-level understanding does not, nor is it intended to create rights or obligations under domestic or international law.

This high-level understanding is made in two copies, one in English and one in Ukrainian.

Signed at, on 2022.
