North Sea-Mediterranean. Section Brussel-Luxembourg-Strasbourg "EuroCap-Rail". Luxembourg rail network. WORKS regarding the construction of a new section providing a direct link between Luxembourg Station and Bettembourg Station.

River Information Services Corridor Management Execution (General Call)

The [project](#) addresses the elimination of a railway bottleneck between the City of Luxembourg and Bettembourg on the North Sea-Mediterranean Corridor. It contributes to the "EuroCap-Rail" global project (Bruxelles-Luxembourg- Strasbourg) with the construction of a new 7 km two tracks section which will connect the two cities directly on an alignment close to the highway A3/E25.

Project number: 2014-LU-TM-0257-W

Total investment: €212.5 million

CEF funding: €63.7 million

Implementation schedule: June 2016 to December 2019

Coordinator: Ministère du Développement durable et des Infrastructures

The [project](#) will unite 13 partner countries to improve cross-border cooperation and achieve a service for the whole corridor, with common data quality, equal service level and unique access. The partnership encompasses the connected TEN-T core waterway network, from France over Belgium and Luxemburg to the Netherlands and via Germany, the Danube (with Austria, Slovak Republic, Hungary, Croatia, Republic of Bulgaria, Romania and also the Non-member state Serbia) and Czech Republic.

Project number: 2015-EU-TM-0038-W

Total investment: €0.3 million

CEF funding: €0.1 million

Implementation schedule: February 2016 to December 2020

Coordinator: Bundesministerium für Verkehr Innovation und Technologie
