EU ROAD SAFETY Results Conference

PROGRAMME

20 APRIL 2021, 09:00 – 12:30

The EU Road Safety Results Conference is an opportunity to engage with EU Member State authorities and all stakeholders on the progress being made with implementing the Safe System approach. In particular, it will allow participants to learn how work towards the Key Performance Indicators set out in the Next Steps Towards Vision Zero policy framework is moving forward. It will also offer a forum for analysis and exchange between senior EU policy makers and the wider European road safety community.
