

Subject: Submission of a report pursuant to Article 10(1) of Delegated Commission Regulation (EU) 2017/1926 supplementing Directive 2010/40/EU

Pursuant to Directive 2010/40/EU and Commission Regulation (EU) 2017/1926 with regard to the provision of EU-wide multimodal travel information services, Member States are invited to submit, by 1 December 2019, a report on the measures undertaken, if any, to set up a national access point and on the modalities of its functioning.

The Greek National Access Point is in the implementation phase as part of the co-financed European project 'Crocodile 2', in order to meet the requirements of actions (b), (c) and (e) of Directive 2010/40/EU. The actions concerned are due to be completed by the end of 2019 (c.f. the 2019 Report pursuant to Delegated Regulation (EU) No 886/2013, which was sent to the Commission by letter ref. A2/οικ.74555/1797/08.10.2019). The hosting of multimodal travel data as an initial stage in the strategic expansion of the National Access Point, pursuant to Regulation (EU) 2017/1926, will be duly examined.
