Programme Support Action (PSA) to support Member States in collecting Key Performance Indicators (KPIs) for road safety

### CORRIGENDUM No.1

### EXTENSION OF THE DEADLINE

Due to the difficulties resulting from the COVID-19 crises, the contracting authority has decided to extend the submission deadline until **10 July 2020** and to modify the timing for the implementation of the activities.

Point 3. Indicative Timetable of the ‘Conditions awarding grants’ should be read as follows:

#### 3. INDICATIVE TIMETABLE

	Steps	Date and time or indicative period
(a)	Publication of the call	March 2020
<b>(b)</b>	<b>Deadline for submitting applications</b>	<b>10 July 2020</b>
(c)	Evaluation period	August 2020
(d)	Information to applicants	September 2020
(e)	Signature of grant agreement	October 2020

Under Point 6.2 Eligible activities, the section “**Result of the activities**” should read as follows

“In order for the corresponding costs incurred by the beneficiaries to be eligible, the corresponding activities as referred above should achieve the following results:

1. The results in the form of one data sets corresponding to the years 2020 or 2021 for at least five amongst the following seven KPIs:

KPI 1: Speed

KPI 2: Safety belt

KPI 3: Protective equipment

KPI 4: Alcohol

KPI 5: Distraction

KPI 6: Vehicle safety

KPI 8: Post-crash care

N.B.: In order for the corresponding expenses to be eligible, the results should be reported at least at the lowest level of disaggregation.

2. The results for the KPI 7 (Infrastructure) is an optional deliverable under this grant agreement. Nevertheless, the expenses related to the calculation of this KPI will be considered eligible if results for this indicator are provided.”
