

DECISION of the Director General for Mobility and Transport (MOVE)

renewing the mandate of the current members of the Sustainable Transport Forum

The Sustainable Transport Forum was set up by Commission Decision of 24 April 2015¹ with an initial duration until 31 December 2020. By Commission Decision of 9 December 2020², the European Commission has renewed the Sustainable Transport Forum from 1 January 2021 until 31 December 2030.

On 15 June 2015, the Director-General for Mobility and Transport appointed the members of the Sustainable Transport Forum. In accordance with Article 2.2 of the Call for applications launched on 24 April 2015³ and leading to that appointment, the mandate of the members of the STF was valid “for a period running till 31 December 2020”. That same Article 2.2 provided, however, that the mandate of the STF members “may be renewed if the Commission extends the duration of the Decision [establishing the Sustainable Transport Forum]”.

Following the Decision to renew the Sustainable Transport Forum, the Director General of the Directorate-General for Mobility and Transport of the European Commission hereby also prolongs the mandate of the following Sustainable Transport Forum member organisations, until 31 December 2022:
