

DECISION of the Director General for Mobility and Transport (MOVE)

appointing the Members of the group of experts on alternative transport fuels ('the Sustainable Transport Forum') – RegEx: E03321

On 23 April 2015, the European Commission established the Sustainable Transport Forum ('the STF')¹. By Commission Decision of 9 December 2020,² the STF has been renewed until 31 December 2030 (the 'STF renewal decision'). In accordance with Article 4 of the STF renewal decision, the group shall consist of up to 60 members and the Directorate General for Mobility and Transport of the European Commission (DG MOVE) shall determine the composition of the membership. While at least 30 places shall be reserved for Type D (Member States' authorities) and Type E (other public entities) members, the remaining Type C member-organisations shall be selected via a public call for applications and subsequently appointed by the Director-General for Mobility and Transport (DG MOVE), in accordance with Article 5 of the STF renewal decision.

On 19 October 2022, the European Commission published a call for applications with ref. 379 on the EUROPA website. The deadline for applications expired on 15 November 2022. In order to attract more participation of civil society organisations, as well as EU associations representing professional transport users, the European Commission republished a call for applications with ref. 384 on the EUROPA website. The deadline for applications to this republication call ended on 16 December 2022.

The applications to become Member of the Sustainable Transport Forum (STF) have been evaluated and applicants have been informed of the results.

The composition of the STF **membership** shall be as follows:
