

Wednesday, 3 April 2024

SESSION 1

No.	Time	Topic	Presenter	Organisation
	09:00	Welcome and Introduction	Anna Gumbau	Moderator
1	09:10	NAPCORE - the world's largest cooperation of mobility data platforms	Timo Hoffmann	Federal Highway Research Institute (BAST)
2	09:18	Connecting the dots of sustainable mobility ecosystem	Karina Medved Bregar	Petrol
3	09:26	Accelerate the hyperloop	Jan Willem Visser	Hyperloop Development Program
4	09:34	Women In Rail Award Announcement: 2024 edition call for applications	Rana Maatoug	Europe's Rail Joint Undertaking (EU-Rail)
5	09:42	Decarbonising the maritime transport and ports	Enrique Olarte	Enagás
6	09:50	The Scandria® Alliance – Territorial Cooperation from Scandinavia to the Adriatic Sea	Tommi Vollmann	Joint Spatial Planning Department Berlin-Brandenburg

Wednesday, 3 April 2024

SESSION 1

No.	Time	Topic	Presenter	Organisation
7	09:58	Re-Imagine and Re-engineer a sustainable future with Green IT: Sustainable by and with software!	Daan van Boven	Ab Ovo Nederland B.V.
8	10:06	Hynamics Hydrogen Mobility Project: Deployment of a multipurpose renewable HRS network for mobility	Julie Gouzil	Hynamics
9	10:14	West Railway - Cities, municipalities and State joint project	Pekka Ottavainen	West Railway Ltd
10	10:22	Intermodal development for Europe in Venlo region	Peter Pardoel	Supply Chain Valley
	10:30	Networking Coffee Break		

Wednesday, 3 April 2024

SESSION 2

No.	Time	Topic	Presenter	Organisation
1	11:00	Atlante and the EU empowering together Zero-Emissions Driving	Francesco Causa	Atlante S.r.l.
2	11:08	Scaling up micromobility from city to FUA with multimodal hubs, data and integrated governance.	Michiel Penne	Stad Antwerpen / Smart Ways to Antwerp
3	11:16	Assistance and autonomous railway vehicles in urban and mainline environments	Sam De Smet	OTIV BV
4	11:24	Travel anywhere, anytime, using any mode of transport in compliance with EU regulation.	Ferdinand Burgersdijk	fairsfair foundation
5	11:32	ReNEW: Resilience-centric Smart, Green, Networked EU Inland Waterways	Nik Delmeire	European Inland Waterway Transport Platform
6	11:40	Acceptance enhancement and cost balancing of highly automated mobility solutions in Germany	Nathalie Teer	EasyMile
7	11:48	Update smart green ports project MAGPIE	Arne-Jan Polman	MAGPIE

Wednesday, 3 April 2024

SESSION 2

No.	Time	Topic	Presenter	Organisation
8	11:56	USER-CHI project - for a user-centric charging infrastructure	Marion Pignel	Eurocities
9	12:04	CONNECTOR - Connecting North Netherlands on Green Corridors for European Transport	René Schelwald	Port of Zwolle
10	12:12	Securing CEF investments from risks of disrupted Rail supply chain	Veronica Elena Bocci	ERCI - European Railway Clusters Initiative
	12:20	Conclusion	Anna Gumbau	Moderator

Thursday, 4 April 2024

SESSION 3

No.	Time	Topic	Presenter	Organisation
	09:00	Welcome and Recap	Anna Gumbau	Moderator
1	09:10	E-mobility: Future Vision	Amit Yudan	ARDAN GmbH
2	09:18	ORCA: a resource orchestrating solution for the transport industry developed by Telcotrend	Eszter Jacobs	Telcotrend
3	09:26	Wunderline: More than a railway connection - Chain Mobility	Thijs Zondag	Provincie Groningen
4	09:34	LIFE GREEN VULCAN: Decarbonising Automotive With Recycled Rubber	Francesco Di Pierro	INNOVANDO SRL
5	09:42	Remote navigation in the Belgian river zone	Cyrielle Böttcher	NOVANDI
6	09:50	KEYSTONE: Simplifying cross-border logistics compliance.	Zoi Petrakou	AETHON Engineering Single Member P.C.

Thursday, 4 April 2024

SESSION 3

No.	Time	Topic	Presenter	Organisation
7	09:58	GREATER4H	Marie Fløystad Dahl	STRING Megaregion
8	10:06	eFTI4EU – the first project making the eFTI regulation real	Eva Killar	eFTI4EU, Ministry of Climate of Estonia
9	10:14	ESPO Study on the investment pipeline and challenges of European ports	Isabelle Ryckbost	European Sea Ports Organisation (ESPO)
10	10:22	Towards autonomous industrial and shunting operations	Guillaume Hendrickx	OTIV BV
	10:30	Networking Coffee Break		

Thursday, 4 April 2024

SESSION 4

No.	Time	Topic	Presenter	Organisation
1	11:00	TEN-T & EuroVelo, the European cycle route network: opportunities for synergies	Agathe Daudibon	European Cyclists' Federation (ECF)
2	11:08	Maximize the use of photovoltaic energy in electric transport of people and goods.	Manuela Sechilariu	ADEME: The French Agency for Ecological Transition
3	11:16	EIT Urban Mobility - De-risking mobility innovation for impact and scale	Luana Bidasca	EIT Urban Mobility
4	11:24	Development of HRS network in the Greek TEN-T highways	Konstantinos Chatzifotis	Motor Oil (Hellas) Corinth Refineries S.A.
5	11:32	LOW-EMISSION MOBILITY 100 % reduction Co2 emissions of stationary energy caused by trucks, bus,...	Marc Van Ginneken	M.S.I.E. / M.S.I.A. (LOGISTICS WALLONIA member)
6	11:40	LAURELIN: towards affordable e-fuel through advanced catalysis and reactor technology	Raf Roelant	Process Design Center
7	11:48	SWS Power Solutions make climate-neutral cold chain logistic on rail possible	Patrick Sluga	SWS Power Solutions

Thursday, 4 April 2024

SESSION 4

No.	Time	Topic	Presenter	Organisation
8	11:56	The MOVE21 approach on how to bridge the gap between the TEN-T and urban nodes dimension	Raffaele Vergnani	POLIS
9	12:04	Leverage the European Skills Year to tackle skills shortage in rail through lifelong learning	Eleni Selipa	Europe's Rail Joint Undertaking (EU-Rail)
10	12:12	Next level security on "Safe and Secure Truck Parking Areas": MacScanners	Dirk Penasse	ESPOG
	12:20	Closing Remarks	Anna Gumbau	Moderator
