COMMISSION IMPLEMENTING DECISION

of 7.3.2024

on the selection of Military Mobility projects following the 2023 call for proposals for grants under the Connecting Europe Facility - Transport sector pursuant to Implementing Decision C(2023) 4886

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2021/1153 of the European Parliament and of the Council of 7 July 2021 establishing the Connecting Europe Facility and repealing Regulations (EU) No 1316/2013 and (EU) No 283/2014¹, and in particular Article 21(1) thereof,

Whereas:

- (1) Commission Implementing Decision C(2023) 4886² established a multi-annual work programme for granting Union financial assistance to projects of common interest in the field of trans-European transport network infrastructure under the Connecting Europe Facility (CEF) for the period 2021-2027.
- (2) Based on the multi-annual work programme, a call for proposals for grants under the CEF Transport Military Mobility budget envelope was published on 3 May 2023.
- (3) By the deadline of 21 September 2023, 112 project proposals were submitted, of which 107 complied with the formal admissibility and eligibility requirements and were assessed against the evaluation criteria in accordance with Article 200 of Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council³.
- (4) Following the evaluation, 38 projects were selected to receive financial assistance under the CEF Military Mobility envelope for a total amount of EUR 807 million.
- (5) In order to ensure optimal budget execution a reserve list of 3 projects was established which may be supported in the order of listing, depending on budget availability.
- (6) The list of selected projects established by this Decision is in accordance with the opinion of the Connecting Europe Facility Coordination Committee,

HAS DECIDED AS FOLLOWS:

Sole Article

The Military Mobility projects listed in Part I of the Annex are selected for grants under the Connecting Europe Facility.

¹ OJ L 249, 14.7.2021, p. 38.

² Commission Implementing Decision C(2023) 4886 of 25 July 2023 on the financing of the Connecting Europe Facility - Transport sector and the adoption of the work programme for 2021-2027.

³ Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012, OJ L 193, 30.7.2018, p. 1.

The maximum amount of financial assistance granted to the selected projects shall be as set out in the Annex.

The conditions and methods for the implementation of the selected projects are specified in the Grant Agreements concluded with the beneficiaries of the grants.

The projects in Part II of the Annex are placed in reserve and may be supported in the order of listing depending on budget availability. The reserve list is valid until 31 December 2024.
