(1) In order to ensure implementation of the general actions in the area of mobility and transport for the year 2014, it is necessary to adopt a financing decision as well as a corresponding work programme.

(2) Given that the 2014 work programme contains the information specified in Article 94(2) of the Rules of Application, the decision adopting it constitutes itself a financing decision. It is appropriate to authorise award of grants without a call for proposals to the bodies referred to in the work programme for the reasons provided therein, in accordance with Article 190(1) (c) and (d) of the Commission Delegated Regulation (EU) No 1268/2012 of 29 October 2012 on the rules of application of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council on the financial rules applicable to the general budget of the Union.

1 OJ L232/2 of 9.9.2011, p.2
Article 54(2)(d) of the Financial Regulation provides that appropriations for actions carried out by the Commission by virtue of tasks resulting from its prerogatives at institutional level under the TFEU or Euratom Treaty may be implemented without a basic act.

It is necessary to allow the payment of interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012.

For the application of this Decision, it is appropriate to define the term 'substantial change' within the meaning of Article 94(4) of the Rules of Application.

Grants and contracts relating to specific programmes are the subject of separate work programmes adopted by the Commission and serving as financing decisions.

HAS DECIDED AS FOLLOWS:

The appropriations provided for in the first paragraph may also cover interest due for late payment.

**Article 3**

Cumulated changes to the allocations to specific actions not exceeding 20% of the maximum contribution set in Article 2 of this Decision shall not be considered to be substantial within the meaning of Article 94(4) of Delegated Regulation (EU, Euratom) No 1268/2012, where those changes do not significantly affect the nature of the actions and objective of the work programme. The increase of the maximum contribution set in Article 2 of this Decision shall not exceed 20%.

The authorising officer responsible may adopt the changes referred to in the first paragraph in accordance with the principles of sound financial management and proportionality.
